Evidence Based De-Escalation Training

The Indiana Fraternal Order of Police Labor Council is offering an ILEA approved in-service training. The provider, Philip Abdo is certified as an instructor for Indiana as well as the Michigan Commission on Law Enforcement Standards and a certified training specialist from Force Science Institute. The FOP Labor Council understands the high costs of training and the challenges facing law enforcement and that's why we are offering this Evidence Based De-Escalation training at **NO COST** to Sheriff Offices and Police Departments across the State of Indiana.

When: We are offering the training on **October 12, 2022**, at the Ivy Tech Community College at 261 S. Commerce Drive in Marion, Indiana from **8:00-4:00 EST**. Continuing education credits through the Indiana Law Enforcement Academy are available. Lunch will be provided. The training is recommended for supervisors, patrol officers and corrections officers.

Course Description: This training will allow attendees to understand as well as apply science and evidenced based De-Escalation techniques to appropriate incidents to enhance Officer Safety as well as citizen safety.

Topics Include:

- Identify Principles of De-Escalation
- Decision Making
- Apply Critical Concepts
- Applying Behavioral Influence Stairway
- TEB Matrix
- Excited Delirium
- Risk Assessment
- Assessing Interactions
- Response-Ability Zone
- Active Listening Skills
- Persuasion Skills
- Post Incident Professional Articulation

Instructor: Philip Abdo – Phil is a retired Sergeant from a large Sheriff's Office in Michigan. His last 12 years he was the Firearms Division Commander as well as the lead Use of Force Instructor for the department. Phil has taught as a local Police Academy for over 20 years and instructed over 1800 cadets in Law Enforcement as well as Corrections. He also served as a SWAT team member, Negotiator, Mobile Field Force Executive Officer, and Less Lethal Instructor. Phil also has testified in numerous cases as a Use of Force Expert on both the State and Federal level. He is a Force Science Advanced Analysis and Use of Force Investigator and Certified De-Escalation Instructor.

Certificates: Certificates will be provided to each officer in attendance.

Registration: The QR code can be used to register for the training quickly and easily. Seating is limited so register as soon as possible. Contact Patti Van Til at in.fop.laborcouncil@gmail.com with any questions you may have.
