Report created on January 9, 2026

The 2026 session of the General Assembly has begun. Bills are still being filed. We review each bill to determine if it will impact our members and if so, how. Following are the bills we have identified and will be tracking throughout the session. We will be adding to the list over the next few weeks. I will be sending updated reports weekly as needed.

Note SB 69. We are attempting to improve pension benefits but we are hearing from some members that the added contribution is not worth the added benefit. Let us know your thoughts on this bill.

Please contact President Bill Owensby or me with any questions or concerns.
