Comments: This Bill is a beginning of the discussion concerning enhancing pension benefits. Our thanks to our Brothers and Sisters in Terre Haute and to Senator Jon Ford. We have been working with the Bill's author (Senator Ford) all summer. We are doing everything we should be and can be to help the Bill move through the process. We are hopeful but not optimistic due to the cost to the 1977 Fund. If we can get a hearing for this Bill in the Senate Pension and Labor Committee, it will likely be then sent to the Pension Management Oversight Commission for further study next summer. Right now we are not asking our local lodges to do anything. The time may come to have members contact legislators and, when it does, we will notify our members.
