Report created on March 9, 2018

HB1109 VARIOUS PENSION MATTERS (CARBAUGH M) Provides that the default investment option for the legislators' defined contribution plan is a target date fund rather than the Indiana public retirement system's (INPRS) consolidated retirement investment fund. Removes a requirement that only active members of the public employees' retirement fund (PERF) and the Indiana teachers' retirement fund (TRF) may make rollover distributions into annuity savings accounts (ASA) from other qualified retirement accounts. Allows any PERF or TRF member who terminates employment and is not currently employed in a covered position or for the same employer to suspend fund membership, retain the member's creditable service, and withdraw all or part of the amount in the member's ASA before retirement. Requires employers eligible to purchase death benefit fund coverage for certain employees to pay for the coverage annually rather than quarterly. Removes charitable contributions as a voluntary benefit deduction for the 1977 police officers' and firefighters' pension and disability fund and the state excise police, gaming agent, gaming control officer, and conservation enforcement officers' retirement plan. Revises the effective date of participation by a political subdivision joining PERF from the earlier of January 1 or July 1 to a date approved by the INPRS board of trustees, but not later than 60 days after the date the political subdivision's PERF participation is approved. Makes technical corrections. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

Comments: This Bill is a beginning of the discussion concerning enhancing pension benefits. Our thanks to our Brothers and Sisters in Terre Haute and to Senator Jon Ford. We have been working with the Bill's author (Senator Ford) all summer. We are doing everything we should be and can be to help the Bill move through the process. The Bill was heard in Committee 1/17/18. It was amended to refer it to the Pension Oversight Management Commission (POMC) for summer study. Input from the FOP, Fire, Cities and Towns, and INPRS will be sought. We will do everything we can to improve pension benefits for our members. We are hopeful the Legislative Council will accept the topic. We hope to get a favorable recommendation and move the Bill out of the POMC. Right now we are not asking our local lodges to do anything. The time may come to have members contact legislators and, when it does, we will notify our members. See President Owensby's message on the State FOP website for additional information. Headed to Summer Study (POMC).
