

LEGISLATIVE REPORT #2, 2026

Prepared by: Leo Blackwell
Report created on January 16, 2026

In Legislative Report #2, 2026, you will find the latest information for each of the bills that we are keeping an eye on. The list of bills is long but it will be reduced by at least one-half as bills die for lack of a hearing or failure to pass in the chamber of origin.

This promises to be one the shortest short sessions in recent history. Leadership has indicated their intent to be finished by February 27. We will be doing all we can to move bills favorable to our members and defeat those that are not.

Please contact President Bill Owensby or me with any questions or concerns.
