Prepared by: Leo Blackwell

Report created on February 8, 2018

HB1109 VARIOUS PENSION MATTERS (CARBAUGH M) Provides that the default investment option for the legislators' defined contribution plan is a target date fund rather than the Indiana public retirement system's consolidated retirement investment fund. Removes a requirement that only active members of the public employees' retirement fund (PERF) and the Indiana teachers' retirement fund (TRF) may make rollover distributions into annuity savings accounts (ASA) from other qualified retirement accounts. Allows any PERF or TRF member who terminates employment and is not currently employed in a covered position or for the same employer to suspend fund membership, retain the member's creditable service, and withdraw all or part of the amount in the member's ASA before retirement. Requires employers eligible to purchase death benefit fund coverage for certain employees to pay for the coverage annually rather than quarterly. Removes charitable contributions as a voluntary benefit deduction for the 1977 police officers' and firefighters' pension and disability fund and the state excise police, gaming agent, gaming control officer, and conservation enforcement officers' retirement plan. Makes technical corrections. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

FUNDING OF 911 CALL CENTERS (LEISING J) Provides that, after June 30, 2018, a county that contains more than one public safety answering point (PSAP) shall distribute funds to each PSAP in the county on a proportional basis according to the call volume received by each PSAP in the county during the immediately preceding calendar year. Comments: This Bill is a beginning of the discussion concerning enhancing pension benefits. Our thanks to our Brothers and Sisters in Terre Haute and to Senator Jon Ford. We have been working with the Bill's author (Senator Ford) all summer. We are doing everything we should be and can be to help the Bill move through the process. The Bill was heard in Committee 1/17/18. It was amended to refer it to the Pension Oversight Management Commission (POMC) for summer study. Input from the FOP, Fire, Cities and Towns, and INPRS will be sought. We will do everything we can to improve pension benefits for our members. We are hopeful the Legislative Council will accept the topic. We hope to get a favorable recommendation and move the Bill out of the POMC. Right now we are not asking our local lodges to do anything. The time may come to have members contact legislators and, when it does, we will notify our members. See President Owensby's message on the State FOP website for additional information.

Imposes certain requirements on the use and compensation of outside counsel in forfeiture actions, and prohibits a prosecuting attorney or deputy prosecuting attorney from receiving a contingency fee for a forfeiture action.
