HB1050 **RACIAL PROFILING AND PRETEXTUAL STOPS (PRYOR C)** Prohibits a law enforcement agency or a law enforcement officer from engaging in racial profiling or conducting pretextual stops. Requires a law enforcement agency to adopt a detailed policy that defines the elements of racial profiling and pretextual stops, and requires a law enforcement agency to collect certain data relating to stops made by law enforcement officers. Requires cultural diversity awareness training and training on unlawful racial profiling and pretextual stops for law enforcement officers. Specifies that a law enforcement agency shall transmit to the attorney general information concerning racial profiling complaints, investigations, and any action taken, as well as data collected relating to stops made by the law enforcement agency. Requires the attorney general to: (1) submit an annual report to the legislative council based on the

information; (2) submit the data to a third party for statistical analysis; and (3) publish the results of the analysis on the attorney general's Internet web site. Establishes the racial profiling review commission to review complaints of unlawful racial profiling and unlawful pretextual stops. Permits a person to bring a civil action based on unlawful racial profiling and unlawful pretextual stops. Permits a law enforcement agency to use certain federal funds to purchase vehicle cameras and body cameras, and establishes training standards and standards for use. Makes a technical correction.

- HB1123** **TELEPHONE SOLICITATION (ELLINGTON J)** Defines "executive officer" for purposes of the telephone solicitation law. Provides that an executive officer of a person that violates the

telephone solicitation law commits a separate deceptive act actionable by the consumer protection division. Requires the consumer protection division of the office of the attorney general (division) to amend its rules to allow businesses to be included in the quarterly listing of telephone numbers of persons that request not to be solicited by telephone. Allows the division to use the consumer protection division telephone solicitation fund (fund) to: (1) administer the statutes concerning: (A) the registration of telephone solicitors; and (B) the regulation of automatic dialing machines; and (2) reimburse county prosecutors for expenses incurred in extraditing violators of these and other state and federal statutes concerning telephone solicitations. (Current law provides that the fund may only be used to administer: (1) the state's "do not call" statute; (2) the federal statute concerning restrictions on the use of telephone equipment; and (3) the state statute concerning misleading or inaccurate caller identification.) Increases the penalty for: (1) failure to register with the division by a seller that makes certain solicitations from a Level 6 felony to a Level 5 felony; (2) violating regulations regarding use of automatic dialing machines from a Class C misdemeanor to a Level 6 felony; and (3) violation of regulations regarding use of false or misleading caller identification information from a Class B misdemeanor (or Class A misdemeanor for repeat offenses) to a Level 6 felony. Provides that all sellers that make certain solicitations must register with the division. (Under current law, registration is required only if the solicitation involves consideration of more than \$100 and less than \$50,000.)

MOTOR VEHICLE SAFETY (PRESSEL J) Defines "critical work zone" as an area within a highway work site that is demarcated by signage and in which: (1) the normal lane path is offset, the road surface is significantly disturbed, or machinery is located; and (2) workers are present. Restricts use of an automated traffic enforcement safety device by certain governmental entities to detection or recording of: (1) violations of reduced speed limits in critical work zones; (2) failure by a driver to pay a required toll at a toll collection facility; and (3) failure to comply with school bus stop arm regulations; and provides that the images captured by the automated traffic enforcement safety device are not public records and must be destroyed after a certain amount of time. Provides that certain entities may enforce reduced speed limits in highway worksites without first conducting an engineering study if: (1) workers are present in the immediate vicinity of the highway worksite; and (2) the highway worksite is demarcated by proper signage. Provides that workers need not be present for purposes of certain traffic offenses in highway work zone areas that are not critical work zones. Amends regulations regarding use of a cell phone or other electronic communication device while driving as follows: (1) Expands the list of devices to which the regulations apply. (2) Prohibits: (A) holding or handling an electronic communications device; or (B) viewing, recording, or broadcasting images or video; while operating a motor vehicle. (3) Adds types and uses of devices that are excepted from the regulations. (4) Adds violation of the regulations to the offenses for which a driver may be a habitual violator. Provides that certain governmental entities may enter into agreements with third parties to administer camera enforcement of: (1) reduced speed limits in critical work zones; and (2) school bus stop arm regulations; subject to certain conditions. Provides for a rebuttable presumption that the owner of a vehicle is the person operating the vehicle at the time the vehicle is photographed violating a regulation enforced by camera enforcement. Provides: (1) for civil penalties that may be assessed; and (2) that points may not be assessed under the bureau of motor vehicles' point system; for violations of regulations enforced by camera enforcement. Requires: (1) a penalty collected for a violation of a highway worksite speed limit enforced by camera enforcement to be deposited in the spinal cord and brain injury fund; and (2) 25% of the amount of a civil penalty collected for a violation of a school bus stop arm violation that is enforced by camera enforcement to be deposited in the school operations fund of the school corporation in which the violation occurred and used for funding school bus arm signal device cameras. Provides that a school bus driver: (1) may not pick up or drop off a student at a location that requires the student to cross: (A) a state highway; (B) a county arterial highway; or (C) a municipal arterial street; and (2) must pick up and drop off students as close as is practicable to the right-hand curb or edge of any other type of roadway. Provides that a school bus driver who knowingly or intentionally violates these pick up and drop off provisions commits a Class D infraction. Provides that failure by a school bus driver to conduct a required inspection for students or passengers remaining on a school bus at the end of a trip is a Class D infraction.

COMMENTS: LEO's are included in this bill. It is interesting to note that the President Pro Temp of the Senate has publicly declared that he will keep control of all bias crime legislation offered. Following is his statement:

STATEHOUSE (Dec. 28, 2018) - "At this time, I have decided to assign all bias crimes related legislation to the Senate Committee on Rules and Legislative Procedure. This does not mean these bills are dead by virtue of their assignment to this committee. My intention is to use the Rules committee to hold all proposals related to this issue until our caucus has had the opportunity to fully discuss each proposal and decide which aspects, if any, of the offered legislation have support to move forward."

This is a very hot topic in this session and we continue to keep fighting to be included in whatever bill moves.

PENSION MATTERS (BOOTS P) Makes additional conforming changes with previous legislation for the purpose of allowing a retired member of PERF or TRF to make partial withdrawals from the member's annuity savings account. Rephrases provisions concerning the

election to begin receiving PERF or TRF benefits while employed that applies to certain elected officials and other employees who have attained the age of 70. Rephrases the method for calculating service credit for leaves of absence taken by PERF members. Provides that money in the pension relief fund may be used for reasonable administrative expenses approved by the Indiana public retirement system. Rephrases certain provisions in the statutes governing the public employees' defined contribution plan and the teachers' defined contribution plan to remove references to the annuity savings accounts in PERF and TRF, which are no longer used to implement the two defined contribution plans. Adds the public employees' defined contribution plan and the teachers' defined contribution plan to the list of public pension and retirement funds that comprise the Indiana public retirement system. Provides that assets of the judges' retirement system and the prosecuting attorneys retirement fund are exempt from legal process and that a member may assign benefit payments only for certain medical insurance premiums and association dues for certain associations. Specifies that any postretirement benefit increase to the PERF part of a prosecuting attorney's retirement benefit has no effect on the part of the retirement benefit that is paid from the prosecuting attorneys retirement fund. Makes clarifying additions to certain provisions of the 1977 police officers' and firefighters' pension and disability fund relating to the purchase of service credit by or on behalf of members. COMMENTS:

Senator Sandlin brings this bill at the request of the FOP. This is essentially a due process bill for police officers and fire fighters in Indiana. We have made several attempts over the past twenty-five (25) years to pass the protections afforded by this bill into law. We will do all can to move this bill forward. We have assisted Senator Sandlin in getting the bill out of the Senate. The Chief's Association does not support the bill and moving it through the House will be tough.

COMMENTS: Senator Ford brings this bill at the request of the FOP and the Fire Fighters. This bill is the product of more than two (2) years of work. It replaces last year's SB 075 which was sent to the Pension Management Oversight Committee for further study this past summer. The PMOC unanimously voted to recommend the pension enhancements authorized by this bill to the members of the General Assembly. It does not change the minimum retirement age under the 1977 Fund. It does increase the percentage of retirement benefits and increases the survivor benefit. If passed this bill will benefit all of those members retiring after the bill's effective date. The bill has now passed both Senate Pension and Labor and Appropriations Committee and out of the Senate with a unanimous vote. Representative Heath Van Natter (brother of Carmel FOP President Shane Van Natter) is our House Sponsor and we know he will do everything within his power to see this bill pass.
