SB181 **SURVIVORS' BENEFITS (SANDLIN J)** Provides that a participant in the state excise police, gaming agent, gaming control officer, and conservation enforcement officers' retirement plan (EG&C plan) who dies after January 31, 2018, is not required to have a minimum number of years of creditable service in the EG&C plan at the time of the participant's death in order for the participant's nominated survivor to be entitled to receive survivors' benefits. Provides that if a participant in the EG&C plan dies in the line of duty after January 31, 2018, the participant's nominated survivor is entitled to an annual survivors' allowance for life equal to 100% of the amount to which the participant would have been entitled had the participant retired with 25 years of service at 50 years of age. Provides that in the EG&C plan if: (1) an active participant regardless of the participant's years of creditable service and (2) an inactive participant with at least 15 years of creditable service dies other than in the line of duty after January 31, 2018, the participant's nominated survivor is entitled to an annual survivors' allowance for life equal to 50% of the amount to which the participant would have been entitled had the participant retired with 25 years of service at 50 years of age. Makes technical corrections. (The introduced version of this bill was prepared by the interim study committee on pension management oversight.)

(SANDLIN J) Amends the access to public records act to provide that personal information regarding a correctional officer, probation officer, community corrections officer, law enforcement officer, judge, crime victim, or their family members may be withheld from disclosure when requested by a person confined in a prison, county jail, detention facility, or in a community corrections program as a result of the person's arrest or conviction for a crime, or that person's agent or relative. (Currently the law permits withholding personal information of officers, judges, victims, or their family members, if the information is requested by a person incarcerated in a penal institution after conviction for a crime.)
