Fraternal Order of Police members interested in purchasing a paver recognizing their local lodge may call the State office. Every effort will be made to place the bricks in an area of your choosing, but it will be on a first-come, first-serve basis. We encourage local lodges to purchase a granite piece to be positioned by geographic location within our memorial site. With more than 15,000 active and retired members and 107 lodges, space could be limited as to where your brick will be placed.
